

# SignVET Gateway to Equity: Engaging Deaf students into VET

KA220-VET - Cooperation partnerships  
in vocational education and training

The European Association of Career Guidance (EACG) is a partner in the new project “SignVET Gateway to Equity”, funded by the EC under 2024 Call. The project will run from 1<sup>st</sup> October 2024 to 30<sup>th</sup> September 2026.

**SignVET** aims to empower VET schools to incorporate their national sign language in their daily operations by delivering course contents in sign language and stimulating the interest of hearing students on national sign language.

## **The objectives of the project are:**

- (A) to equip teachers to translate VET course material to national sign language,
- (B) to improve the access of the deaf students to VET course materials and
- (C) to promote sign language skills to hearing students

## **The products of the project include:**

- (1) a Cybersecurity course in Spanish sign language for deaf students,
- (2) a Management course in Portuguese sign language for deaf students,
- (3) a course on the basics of sign language and Cybersecurity terminology in Spanish sign language for non-deaf students,
- (4) a course on the basics of sign language and Management terminology in Portuguese sign language for non-deaf students,
- (5) a report describing the SignVET Methodology and how to apply it to create didactical materials in national sign languages,
- (6) the SignVET Infrastructure and
- (7) SignVET staff training course
